## MOTION GRAPHIC DESIGNER

I have been working part-time as a freelance/contractor, collaborating on various motion graphic video and animation projects. Interested in full-time or part-time opportunities to collaborate and develop highly engaging sales or marketing videos with creative messaging, motion graphics, imagery, and 3D animation.

I graduated from Expression College in San Jose with a second degree, Bachelors of Applied Science with a concentration in Motion Graphic Design and previously graduated from DeVry University with a Bachelors of Science Degree, Multimedia Design and Development, concentration in Web Design and Development.

## CORE COMPETENCIES AND STRENGTHS

- Motion Graphic Design
- Adobe Creative Suite
- Apple Final Cut Pro/Soundtrack Pro
- Video Development and Production
- Website Design
- Website Development
- Content Management System (WordPress)
- Microsoft Office

## EXAMPLES FROM MY PORTFOLIO

- [Colon Cancer Awareness animation](#)
- [Website design and development example](#)
- [Motion Graphics Reel – short video collage](#)
- [Motion Graphics Music Video](#)

## PROFESSIONAL EXPERIENCE

### Century 20 Oakridge and XD, San Jose, CA

June 2018 –  
March 2020

#### Concessionist

Customer service representative, greet customers, provide fast and friendly service, operate cash registers, open and close theaters, prepare and stock concession foods and supplies, operate food machines, keep concession stand areas clean. (Temporary)

### A10 Networks, San Jose, CA

December 2018 –  
January 2019

#### Motion Graphic Designer (Contractor)

Collaborated with Creative Director and designed and created two motion graphics animations for Sales Kick Off (SKO) using Adobe After Effects.

### Colon Cancer Awareness/Dr. Ronald Hsu, Davis, CA

March 2017 –  
March 2017

#### Motion Graphic Designer (Contractor)

Collaborated with Dr. Ronald Hsu and designed and created a motion graphics animation for Colon Cancer Awareness using Adobe After Effects and Adobe Illustrator. This animation was presented at a large medical conference and promoted worldwide.
